ABOUT ME

I am a recent graduate of the New York Code + Design Academy looking for an opportunity to grow my career in development. I am proficient in several coding languages, my favorite being Ruby.

In my spare time, I enjoy going to the movies (favorite genre being action-adventure flicks), playing video games (any RPG any platform), and riding motorcycles/going off-roading.

SKILLS

Proficient in several coding languages:

RUBY

HTML | CSS

RUBY ON RAILS

REACT

JAVASCRIPT

GIT

GITHUB

ANGULAR

HOBBIES

SPORTS

Football (49ers), basketball
